## ABOUT ME

I'm a Graphic Designer. As a designer, I'm Looking for a challenging role in a reputable organization to utilize my Creative Design skills for the growth of the organization as well as to enhance my knowledge about new and emerging trends in Creative Design sector.

## CAREER OBJECTIVE

As a passionate Graphic Designer, I thrive on creating visually engaging designs that tell compelling stories. With strong proficiency in Adobe Creative Suite and experience in both print and digital media, I aim to bring innovative ideas to life. I am eager to contribute my creative skills to a dynamic team, helping to enhance brand identity and create impactful visual experiences.

## WORK EXPERIENCE

Graphic Designer

**Akhtar Group & Showcase Magazine**

2022-2024

"At Akhtar Group, I have excelled as a Graphic Designer by delivering innovative and impactful design solutions across various media platforms. I've successfully led design projects that enhanced the company's brand identity, creating eye-catching visuals for marketing campaigns, print materials, and digital assets. With strong expertise in Adobe Creative Suite, I have consistently met client needs by producing high-quality work within tight deadlines. My role at Akhtar Group has enhanced my ability to balance creativity with strategic thinking, contributing to the company's growth and success."

Graphic Designer

**ProAdman Digital**

2021-2022

"During my time at ProAdman Digital, I have contributed to strengthening the company's brand through innovative graphic design across print and digital platforms. I have managed and executed design projects, ensuring high-quality visuals aligned with marketing objectives. My expertise in Adobe Creative Suite has allowed me to deliver creative solutions that meet both client needs and company goals."

Graphic Designer

**Fiverr**

2021

"For past 3 years As a Graphic Designer I have worked for various local clients in the local market & also worked at Fiver."
